

## **PRE Fun Run Fundraiser**

Templates for requesting fundraising support

We strongly encourage students to participate in our fundraising efforts and advocate for their school. Below are some scripts to review as a family to help get you started.

Subject: Help Support My School!

Dear [Name of Family Member / Friend],

I'm participating in our Fun Run Fundraiser at Park Road Elementary. This fundraiser helps us raise important funds for things like:

- Cultural Arts, including field trips, speakers, visiting authors, and assemblies.
- Enrichment grants to support new clubs, teacher programs, musicals, and more.
- Gifts to the school that help teachers and support kids' learning and recreation.
- Subsidized yearbooks.
- Student and community events like International Night, the Ice Cream Social, the Fall Festival, and more.

I'll be participating in the Fun Run on October 3<sup>rd</sup> during the day. The fundraiser will be open through the end of the day on October 5<sup>th</sup>.

I care about raising funds for my school because [1 short reason—e.g., “our school needs coding robots” or “I want every kid to go on the Challenger field trip” or “I like participating in Running Feet/Art Ambassador/Science Action/Yearbook Club, etc.”].

You can help here: [link], through October 5<sup>th</sup>. Or, if you prefer, my [mom/dad/guardian] can collect a check, which will go directly to our fundraising goal.

Thank you for cheering me on and supporting my school!  
[Child's first name]

Hi [Name]! I'm participating in our Park Road Elementary Fundraiser. Money raised helps support our school community by funding enrichment grants, yearbook subsidies, field trips, art and science programs, whole school events, and much more. The Fun Run takes place on October 3<sup>rd</sup>, and my fundraising page is open through October 5<sup>th</sup>. Thank you!

~~~~~

### **Script**

I'm participating in our Fun Run Fundraiser at Park Road Elementary. This fundraiser helps us raise important funds for our school. Last year we were able to use the funds from our fundraiser for exciting things like:

- Dash coding robots for the makerspace in our library.
- Display panels for our Talent Show, art shows, Flag Day, and more.
- Ukuleles for our music room.
- A new inflatable gaga pit for gym class and Field Day.

- Subsidized yearbooks.
- Supplies for all students for Park Road's Hobby Day (tie-dye supplies, bracelet making kits, planting supplies, rock painting supplies, and more).
- Free grade-level t-shirts for this year's Fun Run that will be used for all field trips, spirit days, and Field Day.

At the end of our fundraiser, I'll participate in our Fun Run at school. I am asking if you will help support me and my school. The fundraiser ends on October 3, when I'll run in our school Fun Run! I care about this because [1 short reason—e.g., "our school supplies" or "I want every kid to go on the science trip" or "I like participating in"].

I can email you a link to participate, or if you prefer, my [mom/dad/guardian] can collect a check, which will go directly to our fundraising goal. We are collecting donations through October 3.  
Thank you!
